1943 PRICE LIST

Notice—Please Read

GREETINGS:

To Our Customers and Friends—

With the advent of another season it gives us pleasure to send you our 1943 catalog and again offer you many new and popular Dahlias at a low prepaid price.

Due to increase in operating expenses we have had to advance our prices on our stock. Like all other business firms, we are working under labor and material shortage due to war conditions. Since January 1 we have two sons who have joined the armed forces as well as other young men who helped us.

We have made a specialty of growing Dahlia plants and find them to be satisfactory for producing roots. Our root divisions are from field grown stock.

In addition to dahlias we are offering you perennials, annual, small evergreens. We intend to enlarge on this line in the future.

We will appreciate it very much if you will send your orders in as early as possible so we can reserve your wants. All our stock is limited more than ever this year. Will ship your order at planting time, or any time you specify. Any root that does not show an eye in **THREE WEEKS** may be returned and we will replace at once.

Visitors Welcomed

Plan to visit the gardens during the 1942 season. Blooming season for Dahlias from September until killing frost. Many of the new introductions will be included in this year's planting.

Shipping Information

Orders are booked and filled in order received. Early ordering is advised while stock is complete.

All stock **STATE** and **FEDERAL** inspected and sent to you in a growing condition. We guarantee all stock true to name. Anything proving otherwise will be replaced the following season.

Roots shipped any time. Plants in May to July 1.

Terms

All orders are cash, unless otherwise arranged. If it is desired to have a shipment made **C. O. D.**, then a deposit of 25 per cent of the order must be sent. Postage must be included on orders under \$1.00.

Special Notice On Dahlia Plants

On all orders for dahlia plants, 25c extra must be sent to cover special handling charges. No **C. O. D.** order on plants unless 50% of the amount of the order is sent at the time the order is made.

This is not to be taken as a cash discount nor does it apply to any of the Special Dahlia offers from 1 to 4. However you will also receive your copy of "Better Gardening."

"Better Gardening"

By HARRY P. O'BRIEN

This handbook of 120 pages is needed by every gardener. Gives information on pruning shrubs, evergreens, planting dahlias, perennials and everything in general for better gardening.

On an order of dahlias at regular prices (no collections included) we will include a copy free if the order is \$5.00 or more.

Well worth many times its price.
